South African Junior Golf takes great pride in the quality of its players, host Club facilities and community involvement at each tournament.

In order to make South African Junior Golf tournaments enjoyable for everyone South African Junior Golf requires all members and parents to adhere to a set of guidelines known as a “Code of Conduct”. The Code of Conduct is to be followed throughout the entire duration of the Tournament.

- Remain at a distance of not less than 30m from all players.
- Parents are not allowed to give any advice by verbal, signs or any other form of advice during any official round in a tournament. “Advice is any council or suggestion which could influence a player determining his play, the choice of club or the method of making a stroke.”

- Never ridicule or shout at your child and other children for making a mistake or losing a competition.
- Show appreciation for good performance and skillful play by all players (including opposing players).
- Demonstrate a high degree of individual responsibility especially when dealing with or in the vicinity of persons under 19 years of age, as your words and actions are an example.
