GOLF RSA VACCINATION POLICY UPDATE

As a result of recent changes in Covid-19 regulations, GolfRSA has reviewed its vaccination policy dated 15 February 2022.

Effective from the date of this communique, GolfRSA will not be requiring proof of vaccination for team events such as Inter Provincial Tournaments.

Where GolfRSA provides accommodation for participating teams or groups of players in National tournaments, it will be up to the respective golf unions to manage the allocation of the rooms to their team members or groups. Should a player not be vaccinated, the Union will be responsible for accommodating the player at their own expense, or managing the inclusion of the player.

NOTE: All players who are part of the GolfRSA National Squad or wishing to make themselves available for National Team selection are directed to the updated "GolfRSA Policy on Vaccination and National Selection", dated 14 July 2022. In summary, players will be required to have valid passports and be fully vaccinated in relation to travel requirements and the requirements of the host or, if applicable, transit country.
