RE: GNGU Selection Criteria

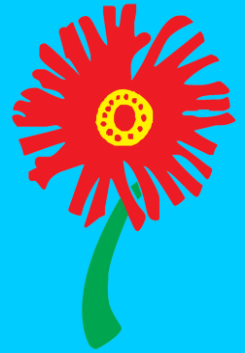

Due to Covid-19 and the cancellation of many tournaments, the selection criteria for the 2020 Mid Amateur IPT, 2020 Junior IPT, 2020 U/13 IPT and 2020 junior quadrangulars has to be reviewed.

Unfortunately as there is still much uncertainty as to when tournaments, leagues and competitions may resume and if in fact these Inter Provincial events may take place this year. It is therefore impossible to set any revised selection criteria at this stage. We will publish updates as soon as we are in a more informed position. However please note that the previously published criteria for these teams is no longer applicable.

Kind Regards,  
Johan Struwig  
GNGU President
