

Cullinan 15 January 2026

Happy New Year

Thank you to Cullinan Golf club for hosting us on the 15th of January and allowing us to take up both AM and PM fields in order to accommodate as many players as possible for our first game of the year. To Lara and her committee, a big thank you! Kudos to the green keeper to present a beautiful course after all the rain. Your club house and facilities look beautiful.

We experimented with an AM and PM field, and the offtake was not as high as expected. We could still have accommodated 3 fourballs in the morning field meaning that only 1 fourball would then lose out on the game. The extra admin doesn't warrant the PM field. So therefore we will not have a PM field again, just keeping to the AM Shotgun field going forward.

We had 4 new members that played. We wish them a wonderful Senior journey with the Senioritas and the beginning of wonderful friendships!

New Members

Rinata Olivier

General

Fixtures have been updated with the change at Waterkloof on the 10th of March due to a Big Easy Tournament, unfortunately it will not be a shotgun start.

Draws: We have planned to do four draws throughout the year but did not take into consideration carts when we picked Cullinan as a draw course, so therefore it was changed to an own choice 4 ball game. The draws will now take place on courses where carts are not limited. Blue Valley, Pebble Rock and Els Club only. All the other games will be done by choosing your partners.

Regards

Soné Jordaan
President GNSWGS
